

Global Wellness Network Founder's Circle

You are invited to co-lead a vibrant community of the world's top advocates in mental health and wellness, and support a thriving movement that transforms the lives of at-risk children globally. The GWNFC leads, advises, and catalyzes new Cities of Wellbeing globally.

This curated, invitation-only community seeds new initiatives that otherwise would be impossible. Our 2023 project in Nairobi, Kenya is a striking example of the power of this group. Membership in the GWNFC entitles you to receive Four Pillars of Wellbeing facilitation training directly from our Founder & CEO, and the following additional benefits:
